

NEW ACTIVITIES

SUMMARY SHEET (b)

Multiphasic Screening and Periodic Health Examinations

Purpose: To provide more medical service to more Agency personnel through periodic medical screening examinations of Agency personnel who are not now screened and to provide physical examinations in those cases where such screening indicates the need.

Method: Use of technological advances in laboratory and X-ray screening techniques. Computers provide the basis for these advances.

Resources required for each year, FY 1973-1977:

2 WAE Medical Officers	\$26,000
1 Contract Medical Technician*	12,000
2 Contract Clerks*	13,000
